Thanks. I'll forward it on to Ann.

What is the status of the excavation/backfilling at the Wichita Facility?

Hi Chris,

I've attached the memo we discussed in our call last week. I'm sending as a word document so you and Ann can redline it with any additions you'd like to see in the memo. Per my notes, I think this covers everything. Let me know if you have any questions.

Thanks,

Mike Stephenson
